THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS AND MINISTER. OF STATE IN THE MINISTRY OF PARLIAMENTARY AFFAIRS, DEPARTMENT OF ELECTRONICS AND THE DEPARTMENT OF OCEAN DEVELOPMENT (SHRI EDUARDO FALEIRO): (a) Centre for Develpment of Advanced Computing (C-DAC)) an autonomous registered Society under the Department of Electronics exhibited its second generation Parallel Supercomputer PARAM 9000 in the Supercomputing 94 exhibition held at Washington from November 14—18, 1994.

lb) The prices of Supercomputers largely depend upon the configuration, lo meet the requirement of the users Also vendors of Supercomputers decide the end user price on a case [to] case basis. Initial pricing information offered by vendors like IBM, CRAY to some end users a^ well as broad prices published by international news agency in High Performance Computing wire (HPC wire) indicate that the price of PARAM 9000 is 20 per cent to 50 per cent lower than the prices of equivalent machines from CRAY and IBM.

(c) During Supercomputing '94 exhibition, PARAM 9000 has received enthusiastic response. However to cater to international market, specifically to US it is essentia[l] to have strategic alliances with US companies to market and support PARAM machines.
